

# BAJA EDITION

The medium, bad basecamp.

FROM	DEPOSIT	LEAD TIME	ORIGIN
<b>\$137,000</b>	<b>\$20,000</b>	<b>2-3 Months</b>	<b>California, USA</b>

This rig is built to stand out in the city and come alive when the terrain gets wild. Space-smart cabinetry, clever storage, and a rugged structure engineered for Baja-style trails. Compact, capable, and ready to roam off-grid — the Baja Edition ships in 2-3 months.
